§ 300.35 Vessel and gear identification.

While a vessel is in the Licensing Area, a Limited Area closed to fishing, or a Closed Area, a recent and up-to-date copy of the International Code of Signals (INTERCO) shall be on board and accessible at all times. The operator shall comply with the 1989 Food and Agricultural Organization standard specifications for the marking and identification of fishing vessels. The international radio call sign of the vessel shall be painted in white on a black background, or in black on a white background, and be clear, distinct, and uncovered, in the following manner:

(a) On both sides of the vessel's hull or superstructure, with each letter and number being at least 1 m high and having a stroke width of 16.7 cm, with the background extending to provide a border around the mark of not less than 16.7 cm.

(b) On the vessel's deck, on the body of any helicopter and on the hull of any skiff, with each letter and number being at least 30 cm high, and having a stroke width of 5 cm with the back-

ground extending to provide a border around the mark of not less than 5 cm.

(c) On any other equipment being carried by and intended to be separated from the vessel during normal fishing operations, with each letter and number being at least 10 cm high and having a stroke width of 1.7 cm, with the background extending to provide a border around the mark of not less than 1.7 cm.

§ 300.36 Closed area stowage requirements.

At all times while a vessel is in a Closed Area, the fishing gear of the vessel shall be stowed in a manner as not to be readily available for fishing. In particular, the boom shall be lowered as far as possible so that the vessel cannot be used for fishing, but so that the skiff is accessible for use in emergency situations; the helicopter, if any shall be tied down; and launches shall be secured.

§ 300.37 Radio monitoring.

The international distress frequency, 2.182 MHz, and 156.8 MHz (Channel 16, VHF) shall be monitored continuously from the vessel for the purpose of facilitating communication with the fisheries management, surveillance and enforcement authorities of the Parties.

§ 300.38 Prohibitions.

(a) Except as provided for in § 300.39, in addition to the prohibitions in § 300.4, it is unlawful for any person subject to the jurisdiction of the United States to do any of the following:

(1) To violate the Act or any provision of any regulation or order issued pursuant to Act.

(2) To use a vessel for fishing in violation of an applicable national law.

(3) To violate the terms and conditions of any fishing arrangement to which that person is a party.

(4) To use a vessel for fishing in any Closed Area.

(5) To refuse to permit any authorized officer or authorized party officer to board a fishing vessel for purpose of conducting a search or inspection in connection with the enforcement of the Act or the Treaty.

Int'l. Fishing and Related Activities

§ 300.40

(6) To refuse to comply with the instructions of an authorized officer or authorized party officer relating to fishing activities under the Treaty.

(7) To refuse to permit an authorized inspector full access to any place where fish taken in the Licensing Area is unloaded.

(8) To refuse to allow an authorized inspector to remove samples of fish from a vessel that fished in the Licensing Area.

(9) To forcibly assault, resist, oppose, impede, intimidate, or interfere with:

(i) Any authorized officer, authorized party officer or authorized inspector in the conduct of a search or inspection in connection with the enforcement of these regulations, the Act or the Treaty; or

(ii) An observer in the conduct of observer duties under the Treaty.

(10) To transship fish on board a vessel that fished in the Licensing Area, except in accordance with the requirements of §300.46.

(11) To fail to have installed, allow to be programmed, carry, or have operational a VMS unit while in the Treaty Area as specified in §300.45(a).

(12) To fail to activate a VMS unit, to interrupt, interfere with, or impede the operation of a VMS unit, to tamper with, alter, damage, or disable a VMS unit, or to move or remove a VMS unit without prior notification as specified in §300.45(e).

(13) In the event of a VMS unit failure or breakdown or interruption of automatic position reporting in the Treaty Area, to fail to submit manual position reports as specified in §300.45(f).

(14) In the event of a VMS unit failure or breakdown or interruption of automatic position reporting in the Treaty Area and if directed by the Administrator or an authorized officer, to fail to stow fishing gear or take the vessel to a designated port as specified in §300.45(f).

(15) To fail to repair or replace a VMS unit as specified in §300.45(h).

(b) Except as provided for in §300.39, it is unlawful for any person subject to the jurisdiction of the United States when in the Licensing Area:

(1) To use a vessel to fish unless validly licensed as required by the Administrator.

(2) To use a vessel for directed fishing for southern bluefin tuna or for fishing for any kinds of fish other than tunas, except that fish may be caught as an incidental bycatch.

(3) To use a vessel for fishing by any method, except the purse-seine method.

(4) To use any vessel to engage in fishing after the revocation of its license, or during the period of suspension of an applicable license.

(5) To operate a vessel in such a way as to disrupt or in any other way adversely affect the activities of traditional and locally based fishermen and fishing vessels.

(6) To use a vessel to fish in a manner inconsistent with an order issued by the Secretary under §300.42 (section 11 of the Act).

(7) Except for circumstances involving force majeure and other emergencies involving the health or safety of crew members or the safety of the vessel, to use aircraft in association with fishing activities of a vessel, unless it is identified on the license application for the vessel, or any amendment thereto.
